Hi Sarah,

Great speaking with you and the team yesterday. I've confirmed the kickoff workshop for 04/22/2025 at your Boston office · we'll plan to arrive by 9:30 so we can set up before the 10:00 start. My colleague Priya Raman will join remotely for the data-architecture session in the afternoon; she'll circulate her connection details separately.

Three quick logistics points before we lock the agenda:

1. Could you send the pre-read materials to me directly at <mailto:d.okafor@brightpath-consulting.com> before Friday? Anything over 20 MB should go through the portal instead.
2. Our standard NDA is attached to the SOW. If your counsel has comments, the fastest route is a marked-up copy back to me · we can usually turn redlines around in 48 hours.
3. For building access, reception will need full names of attendees by 04/18/2025. From our side: myself and, if her flight works out, Priya Raman.

Best regards,

Daniel
