This Mutual Non-Disclosure Agreement ("Agreement") is entered into this 9th day of April, 2025, between Meridian BioLabs Inc., with offices at 2200 Peachtree Rd NW, Suite 900, Atlanta, GA 30309, represented by Vivienne Okorie-Hammond, VP of Corporate Development, and Wexler Analytics LLC, with offices at 1400 Market St, Suite 2200, Philadelphia, PA 19102, represented by Stefan Brandt, Managing Director (each a "Party").

The Parties wish to evaluate a potential co-development arrangement for laboratory automation products (the "Purpose") and will exchange non-public information for that Purpose.

1. Confidential Information. "Confidential Information" means non-public information disclosed by a Party in any form that is designated confidential or that reasonably should be understood to be confidential, including technical data, product roadmaps, pricing, and the existence of these discussions. It excludes information that is or becomes public without breach, was known to the recipient before disclosure, is independently developed, or is rightfully received from a third party.

2. Obligations. Each Party shall use the other's Confidential Information solely for the Purpose, protect it with at least the care used for its own similar information (and no less than reasonable care), and limit access to employees and advisors who need it for the Purpose and are bound by confidentiality obligations at least as protective as this Agreement.

3. Compelled Disclosure. A recipient may disclose Confidential Information to the extent required by law or court order, provided it gives the discloser prompt notice (where lawful) and reasonable cooperation to seek protective treatment.

4. Term. This Agreement governs disclosures made within two (2) years of the date above. Obligations survive for five (5) years from each disclosure, and indefinitely for trade secrets.

5. No License; No Obligation. No license or other rights are granted by disclosure. Neither Party is obligated to proceed with any transaction, and either may end discussions at any time.

6. Return or Destruction. On written request, each Party shall return or destroy the other's Confidential Information, except one archival copy retained under legal-hold or regulatory requirements.

7. Remedies; Governing Law. Unauthorized disclosure may cause irreparable harm; the discloser may seek injunctive relief in addition to other remedies. This Agreement is governed by the laws of the State of Georgia, excluding conflicts rules; the Parties submit to the courts of Fulton County, Georgia.

8. Notices. Notices shall be sent by email with confirmation of receipt to v.okoriehammond@meridianbiolabs.com for Meridian BioLabs and s.brandt@wexleranalytics.com for Wexler Analytics, or by courier to the addresses in the preamble.
